Our goal is to encourage you to maintain your health and well-being by providing benefits that are carefully designed with you and your family in mind. Please take the time to read this booklet carefully to become familiar with your benefits.

I wish you every success and good health in the coming months and years.

UNIFIED COURT SYSTEM EMPLOYEES GENERAL INFORMATION

Who Is Eligible

- Employees of the CSEA represented State of New York Unified Court System bargaining unit who retired on or after April 1, 1998.

Dependents

If your collective bargaining agreement includes dependent coverage, your dependents become eligible at the same time you do.

- You must notify the Fund promptly of changes in dependent status to ensure that new dependents receive the appropriate coverage and to avoid responsibility for charges incurred by an individual after he or she has ceased to be your dependent.

Dependents Include:

Spouse

- Your spouse. This includes a person of the same sex to whom the covered employee was married in a jurisdiction permitting same sex marriages. A spouse can be removed upon entry into a legal separation. If you become divorced, **you must** remove your ex-spouse upon the finalization of divorce.

Domestic Partners

- 18 years of age or older;
- Unmarried and not related by marriage or blood in a way that would bar marriage;

- Residing together;
- Involved in a committed (lifetime) rather than casual relationship;
- Mutually interdependent financially. The Partners must be each other's sole domestic partner and must have been involved in the domestic partnership for a period of not less than 6 months.

Fund members who wish to obtain benefits for their domestic partners are eligible to do so based on the same eligibility criteria used for health insurance enrollment.

Children

- Your unmarried children under the age of 19, including legally adopted children, stepchildren and children of domestic partners, who permanently reside with you.
- Your legal ward under the age of 19 who permanently resides with you pursuant to a court order awarding legal guardianship to you and is supported by you and your spouse/domestic partner.
- Any child or ward described above, regardless of age, who is incapable of self support by reason of mental or physical disability, provided he or she became disabled prior to reaching the age of 19.
- **Any child or ward described above under the age of 25 who is a full time student** (minimum of 12 undergraduate or 6 graduate credit hours: enrolled in a regionally accredited college or university and working toward a Bachelor's Degree (e.g. B.A. or B.S), Master's Degree (e.g., M.S. or M.S) or Associate's Degree (e.g., A.A. or A.S.). Technical courses of short duration do not qualify, even if a diploma is awarded. **The Fund requires that current proof of student status be provided annually by completion of a Student Status form available from the CSEA EBF.**

Enrollment

Coverage under the Plans offered by the CSEA Employee Benefit Fund is not automatic. You must first ENROLL yourself and your dependents in the Fund. There is one enrollment form which enrolls you in the Fund. If you have not already done so, you can obtain an enrollment form by calling the Fund at **1-800-323-2732** or by visiting our website **www.cseaebf.com**. Enrollment in the Plan does not vest any right in the covered retiree except the right to receive benefits under the Plan only so long as payments are being received by the Fund on behalf of the retiree. Return the completed enrollment form and any additional information required by the Fund.

Continuation of Coverage

- If you die, or become divorced or legally separated, or a dependent ceases to be a dependent, your spouse and/or dependent may have certain rights to continue Plan coverage through COBRA. In the event of divorce, legal separation or a child losing dependent status, you or a family member must inform the Fund of the qualifying event within 60 days of the event or the day on which coverage would be lost because of the event.

Abuse or Misuse

- **Abuse or misuse of any Plan may result in withholding of benefits.**
- The Fund reserves the right to revoke assignment of benefits to certain providers.

Note: A retiree may not be covered as a retiree and as a dependent of an employee/ retiree. A retiree who has a spouse eligible for coverage is not eligible to cover a domestic partner. If retiree and spouse/domestic partner are Fund retirees, coverage for children may not be claimed under both.

VISION CARE PLAN

The Vision Care Plan offers quality eye care services at no cost to members when using one of the Plan's panel providers.

Using This Benefit

When in need of Vision Care services, call the EmployeeBenefit Fund at **1-800-323-2732** to determine if you are eligible for benefits. Make an appointment with a participating provider who will then obtain an authorization for services from the Fund. A list of over 3,000 participating providers will be provided to you on request.

Using a Participating Provider

General Benefit Provisions

Eligible members and dependents are entitled to a routine eye examination and one pair of glasses or a contact lens benefit once every 12 months.

Dilation will be included at a **Provider's Office** whenever **professionally indicated** without any additional cost to the member.

Eyeglasses

The benefit includes progressive addition no-line bifocals or trifocals, cataract lenses, scratch proofing, glass photo-chromic, high index lenses, fashion tints and prescription sunglasses.

If you go to a participating vision provider and select a

frame from your plan collection, you will have no out-of-pocket expense for the cost of your frame. If you choose a frame that is outside of your plan collection, you will be provided a \$30 allowance and you must pay the difference in the price to the participating provider.

Contact Lenses

- Plan contact lenses consist of soft planned replacement or disposables. You will be allowed \$125 toward non-plan contacts.
 - A Contact Lens Formulary is used which allows for an initial supply* of many of the most popular and commonly prescribed brands of soft contact lenses. If non-plan contact lenses are required, the allowance will be applied **toward** the total cost of the contact lenses.
- *Duration of initial supply may vary depending on the lens type, wearing habits and prescribing doctor's instruction regarding replacement schedule.

VISION DISCOUNT FIXED CO-PAYS

Major Plan Features

- Program offers fixed co-pays for lenses and coatings at any EBF participating provider office.
- Members/eligible dependents who wish to purchase lenses and coatings not currently covered by their vision program will be entitled to a set co-pay, resulting in substantial out-of-pocket savings.

Fixed Co-pays Include:

- \$35.00 – Standard Anti-reflective Coating
- \$48.00 – Premium Anti-reflective Coating
- \$55.00 – Ultra Anti-reflective Coating
- \$12.00 – Ultraviolet (UV) Coating
- \$65.00 – Plastic Photosensitive Lenses
- \$50.00 – Ultra Progressive Lenses
- \$75.00 – Polarized Lenses

This valuable program provides savings to members resulting in less out-of-pocket for “add ons.”

- Members who choose lenses and/or coatings not covered in their existing EBF vision plans will pay the fixed co-pay in the schedule listed.

Exclusions and Limitations

- Patient must be covered by the Fund under an existing vision program to be eligible for fixed co-pay(s). This discount is available only at the time of the eligible

date of service. It is not available as a separate service outside of the patient's eligibility date.

- All portions of the benefit (exam plus corrective wear) must be billed simultaneously. All services must be performed on the same day. Benefits cannot be split between two panel providers OR between a participating and non-participating doctor.

- You may use any licensed dentist for dental care.
- Effective 9/1/2014, Participating Providers are not required to accept these allowances as payment in full.
- If you would like to view our current Directory of Dental Care Providers, you can request a copy by calling us at **1-800-323-2732** or visit our website at **www.cseabf.com**.

Maximum Benefit Dental Plan

- There is a \$3000.00 annual maximum dental benefit for each covered retiree and dependent.
- For year 2014 and on, there is no annual maximum for children under the age of 19, per the Affordable Care Act guidelines.
- This maximum is on a calendar-year basis (January through December).
- Under this maximum, we are assuming liability for up to the first \$3000.00 of covered dental work per year. This maximum does not apply to orthodontics.
- We encourage those about to undergo extensive dental treatment to discuss those plans with the dentist beforehand. There are often less expensive alternatives available which will provide high quality dental care.

Appeal Procedure

- If you feel that you did not receive full benefits, you may appeal to the Fund. Please call customer service at 1-800-323-2732 and request a dental claim appeal form which can be emailed or mailed to you. Include copies of supporting documentation.
- ALL appeals must be submitted within 60 days of the determination being appealed.
- Please note the appeal process could take up to 4-6 weeks.
- This appeal procedure is not designed to cover services not covered by the Plans.

Pre-Authorization of Benefits

- Whenever the estimated cost of a recommended dental treatment exceeds \$500.00, we advise the submission of a preauthorization before the work begins.

- Use a dental claim form for this submission and include the related x-rays.
- After review, the Benefit Fund will notify the retiree and the dentist of the benefits payable based upon the treatment plan.
- In determining the amount of benefits payable, consideration will be given to alternate procedures that will accomplish a professionally acceptable result.
- If the retiree and the dentist agree to a more expensive method of treatment than that pre-authorized by the Benefit Fund, the amount exceeding the pre-authorization will not be paid by the Benefit Fund even if it would otherwise be a covered service. If we recommend alternate benefits, you should also discuss this with your dentist.
- For Example: If your dentist submitted a pre-authorization for a crown which would cost \$465.00 and review by our dental consultant showed that an amalgam restoration for \$75.00 would give an acceptable result, the Benefit Fund would pay only \$75.00. If the member decided to have the crown, he or she would pay the difference of \$390.00 (\$465.00-\$75.00).

A pre-authorization is not a guarantee of benefits. Payment is always subject to eligibility and benefit levels in existence at the time of service.

Coordination of Benefits

Since it is not intended that the patient receive greater benefits than the actual expenses covered, the amount of benefits payable under the UCS Retiree Dental Plan will take into account any coverage the retiree (or eligible dependent) has under other group plans. In other words, the benefits under the UCS Retiree Dental Plan will be coordinated with the benefits of other group plans.

Note: A retiree may not be covered as a retiree and as a dependent of an employee/ retiree. A retiree who has a spouse eligible for coverage is not eligible to cover a domestic partner. If retiree and spouse/domestic partner are Fund members, coverage for children may not be claimed under both.

Birthday Rule

Coordination of benefits regulation states that the primary payer of benefits for dependent children is determined by the parent who has the earlier birth date by month and day, without regard to year of birth. (Other determining factors may apply)
