GENERAL INFORMATION

Enrollment

Coverage under the Plans offered by the CSEA Employee Benefit Fund is not automatic. You must first enroll yourself and your dependents in the Fund. There is one enrollment form which enrolls you in the Plan(s) negotiated for you. If you have not already done so, you can obtain an enrollment form by calling the Fund at **1-800-323-2732**. You can also visit **www.cseaebf.com** to use the “enroll online” option. You can also download an enrollment form from the website for later submission.

Enrollment in the plan(s) does not vest any right in the covered employee except the right to receive benefits under the plan(s) only so long as payments are being received by the Fund on behalf of the employee. Return the completed enrollment form and any additional information required by the Fund.

**SUBMIT ALL ENROLLMENT FORMS TO:
CSEA Employee Benefit Fund
P.O. Box 516
Latham, NY 12110-0516**

Who Is Eligible

Full-Time Employee

If you are a full-time employee in a CSEA represented bargaining unit that has negotiated with your employer for Fund coverage.

Part-Time or Seasonal Employee

If your collective bargaining agreement includes coverage for certain part-time and seasonal employees.

NOTE: An employee may not be covered both as an employee and as a dependent of an employee. A member who has a spouse eligible for coverage is not eligible to cover a domestic partner. If member and spouse/domestic partner are Fund members, coverage for children may not be claimed under both.

Dependents

- If your collective bargaining agreement includes dependent coverage, your dependents become eligible at the same time you do.
- You must notify the Fund promptly of changes in dependent status to ensure that new dependents receive the appropriate coverage and to avoid responsibility for charges incurred by an individual after he or she has ceased to be your dependent.

Dependents Include:

Spouse

- Your spouse. This includes a person of the same sex to whom the covered employee was married in a jurisdiction permitting same sex marriages. A spouse can be removed upon entry into a legal separation. If you become divorced, **you must** remove your ex-spouse upon the finalization of divorce.

Domestic Partner

EBF members who wish to obtain benefits for their domestic partners are eligible to do so based on the same eligibility criteria and application process used for health insurance enrollment.

To enroll a domestic partner:

- Members must contact their Agency's Health Benefits Administrator (HBA) for an enrollment package.
- The NYS Dept. of Civil Service will forward to the Benefit Fund a list of employees with eligible domestic partners.
- Upon receipt of this list, the Fund will mail an enrollment form to these employees to enroll the domestic partner.
- The employee must complete and return the form to:
CSEA Employee Benefit Fund
P.O. Box 516
Latham, NY 12110-0516

Children

- Your unmarried children under the age of 19, including legally adopted children, stepchildren and children of domestic partners, who permanently reside with you.
- Your legal ward under the age of 19 who permanently resides with you pursuant to a court order awarding legal guardianship to you and is supported by you and your spouse/domestic partner.
- Any child or ward described above, regardless of age, who is incapable of self support by reason of

mental or physical disability, provided he or she became so disabled prior to reaching the age of 19.

- **Any child or ward described above under the age of 25 who is a full time student** (minimum of 12 undergraduate or 6 graduate credit hours) enrolled in a regionally accredited college or university and working toward a Bachelor's Degree (e.g., B.A. or B.S.), Master's Degree (e.g., M.A. or M.S.) or Associate's Degree (e.g., A.A. or A.S.). Technical courses of short duration do not qualify, even if a diploma is awarded. The Fund requires that **current proof of student status be provided annually by completion of a Student Status form available from the CSEA EBF. Please visit our website at www.cseaebf.com or call 1-800-323-2732 to obtain the form.**

Enrollment for New Employees

There is a 28 day waiting period from the first day worked before your coverage becomes effective. Coverage under the plans offered by the CSEA EBF is not automatic. You must first enroll yourself and your dependents. When the CSEA EBF receives a notice of eligibility from the NYS Department of Audit and Control, a welcome packet is sent to the employee. In the packet there will be an enrollment form to complete. The enrollment form will ask you for your "N" Number from your pay stub and your Social Security Number. It is necessary for you to provide both full numbers to us. This will be the only time that your "N" number will be used.

Upon receipt of the enrollment form back, the CSEA EBF will enroll you and your dependents if they are listed. At that time, a CSEA EBF ID number will be sent to you for when you are using the CSEA EBF benefits.

Please note that in some circumstances, additional information for one or more of your dependents may be requested from you.

Enrollment Changes for Existing Employees

If you have a change to your current enrollment, you will need to contact the CSEA EBF directly. A standard form is available for you to complete to add dependents. This Enrollment form is available directly from CSEA EBF at **1-800-323-2732**. You can also visit our website, **www.cseaebf.com**, and download a form from there or use our Online Enrollment feature. Please note that in some circumstances, additional information for one or more of your dependent additions or deletions may be requested from you.

Transfer Employees

If you transfer into a CSEA bargaining unit from a State bargaining unit not covered by the Fund, there is a 28-day waiting period before coverage begins.

If you *transfer out* of a unit covered by the Fund, you will

be covered for 28 days after the last day worked. After this 28-day period, eligibility for coverage is terminated.

COBRA

If you become ineligible for Fund coverage because of retirement, termination, layoff, leave without pay or reduction in hours, you may have certain rights to continue Plan coverage through COBRA.

If you die, or become divorced or legally separated, or a dependent ceases to be a dependent, your spouse and/or dependent has certain rights to continue Plan coverage through COBRA. In the event of divorce, legal separation or a child losing dependent status, you or a family member must inform the Fund of the qualifying event within 60 days of the event or the date on which coverage would be lost because of the event.

Retirees, Resignation or Termination

You are covered for 28 days after the last day worked. Unless you elect the COBRA option, your eligibility terminates after this 28-day period.

VISION CARE PLAN

The Vision Care Plan offers quality eye care services at no cost to members from one of the Plan's participating providers.

Using This Benefit

When in need of Vision Care services, call the Employee Benefit Fund **1-800-323-2732** to determine if you are eligible for benefits. Make an appointment with a participating provider who will then obtain an authorization for services from the Fund.

Using a Participating Provider

Over 10,000 providers participate with the plan. For a listing, please visit **www.cseaebf.com** or call **1-800-323-2732**.

Benefit Provisions

Members/spouses/domestic partners and eligible dependents age 19 and over are entitled to a routine eye examination and one (1) pair of glasses (lenses and frame) or Plan contact lenses once every 24 months. Dependent children under the age of 19 are eligible every 12 months.

- An employee may not be covered both as an employee and as a dependent of an employee.

- Utilization dates for benefits covered by the Fund travel with the member. When transferring from a state bargaining unit to another state bargaining unit employees are required to wait 24 months from last date of service before becoming eligible for a vision benefit.

Dilation will be included at a **Provider's Office** whenever **professionally indicated** without any additional cost to the member.

Eyeglasses

The plan lens selection includes plastic, polycarbonate or glass lenses. Single vision, bifocals, trifocals, "no-line" bifocals and trifocals, standard progressive lenses. Cataract lenses, fashion tints, scratch proofing and prescription sunglasses. Other options may be available at an additional charge under our fixed co-pays.

If you go to a participating vision provider and select a frame from your plan collection, you will have no out-of-pocket expense for the cost of your frame. The frame collection offers a large selection in multiple styles and is updated periodically. If you choose a frame that is outside of your plan collection, you will be provided a \$30 allowance and you must pay the difference in the price to the participating provider.

Contact Lenses

- Plan contact lenses consist of soft planned replacement or disposables. You will be allowed \$25 toward non-plan contacts.
- A Contact Lens Formulary is used which allows for an initial supply* of many of the most popular and commonly prescribed brands of soft contact lenses. If non-plan contact lenses are required, the allowance will be applied **toward** the total cost of the contact lenses.

*Duration of initial supply may vary depending on the lens type, wearing habits and prescribing doctor's instruction regarding replacement schedule.

VISION DISCOUNT FIXED CO-PAYS

Major Plan Features

- Program offers fixed co-pays for lenses and coatings at any EBF participating provider office.
- Members/eligible dependents who wish to purchase lenses and coatings not currently covered by their vision program will be entitled to a set co-pay, resulting in substantial out-of-pocket savings.

Fixed Co-pays Include:

- \$ 35.00 – Standard Anti-reflective Coating
- \$ 48.00 – Premium Anti-reflective Coating
- \$ 55.00 – Ultra Anti-reflective Coating

- \$ 12.00 – Ultraviolet (UV) Coating
- \$ 65.00 – Plastic Photosensitive Lenses
- \$ 90.00 – Premium Progressive Lenses
- \$140.00 – Ultra Progressive Lenses
- \$ 55.00 – High Index Lenses
- \$ 75.00 – Polarized Lenses

This valuable program provides savings to members resulting in less out-of-pocket for “add ons”.

How to Use This Benefit

- Use any CSEA Employee Benefit Fund participating vision provider. For a list of providers, please visit our website at www.cseabf.com.
- Members who choose lenses and/or coatings not covered in their existing EBF vision plans will pay the fixed co-pay in the schedule listed above.

Exclusions and Limitations

- Patient must be covered by the Fund under an existing vision program to be eligible for fixed co-pay(s). This discount is available only at the time of the eligible date of service. It is not available as a separate service outside of the patient’s eligibility date.
- All portions of the benefit (exam plus corrective eyewear selection) must be performed on the same day. Benefits can not be split between 2 participating providers OR between a participating and non-participating provider.
- Any benefit that is claimed after a period that exceeds one year from the calendar year in which vision services were rendered.
- Please note: fixed co-pays are not refundable. Payment for items not covered under the plan are the responsibility of the patient.

Computer Eyeglass Benefit Provisions

Members/employees whose job duties require 50% or more of their work hours on a computer will be examined and a determination made, which may warrant a different prescription and an additional pair of glasses.

The Computer benefit is for eligible employees only and does not include dependents. It is only available thru a participating provider. The participating provider determines if an additional pair of glasses is required. If you are eligible for a Computer benefit, selection of the eyewear must be done at the same time as selection of your first set of eyewear and is not available as a separate service.

Using a Non-Participating Provider

When you choose to receive services from someone who does not participate as a CSEA Panel Provider, an indemnity payment will be made directly to you for expenses, not to exceed:

Exam.....	\$16.00
Frame.....	\$11.00
Standard lenses	\$14.00
Bifocals	\$23.00
Trifocals	\$32.00
Contact lenses	\$25.00

Exclusions and Limitations

- All portions of the benefit (exam plus corrective eyewear selection) must be performed on the same day. Benefits can not be split between 2 participating providers OR between a participating and nonparticipating provider.
- Any benefit that is claimed after a period that exceeds one year from the calendar year in which vision services were rendered.

Substantial out-of-pocket expenses can be avoided by using CSEA Vision Care Panelists. Contact the Fund for a claim form or visit our website at **www.cseaebf.com**.

DENTAL CARE PLAN

How To Use This Plan

- You may use any licensed dentist for dental care.
- The Fund contracts with participating dental offices to accept the fee schedule as payment in full for covered dental services whether payment is made by you or the Fund.
- If you would like to view our current Directory of Dental Care Providers, you can request a copy by calling us at **1-800-323-2732** or visit our website at **www.cseaebf.com**
- Specialists within participating general practices have the right to bill members for the difference between the specialist’s customary charge and the allowance which the CSEA Employee Benefit Fund pays under the State Dental Plan. The Specialist must inform the Fund and the member that he/she will not be accepting the plan allowance as payment in full and must provide proof of specialty status to the Fund.
- If you choose a non-participating dentist and are charged more than the amount listed under the Schedule of Allowances, you must pay the difference.
- A universal American Dental Association (ADA) claim form, available through your dental provider, or a CSEA claim form, which may be obtained from our website, **www.cseaebf.com** must be used to submit for completed services. Electronic claims are also accepted.
- **The Fund does not recommend that you use any particular dentist, either participating or non-participating.**

**SUBMIT ALL DENTAL CLAIM FORMS TO:
CSEA EMPLOYEE BENEFIT FUND
P.O. Box 489
Latham, NY 12110-0489**

Maximum Benefit-Dental Plan

- There is a \$2,850.00 annual maximum dental benefit for each covered member and dependant.
- For year 2014 and on, there is no annual maximum for children under the age of 19, per the Affordable Care Act guidelines.
- This maximum is on a calendar-year basis (January through December).
- Under this maximum, the Benefit Fund is assuming liability for up to the first \$2,850.00 of covered dental work per year. This maximum does not apply to orthodontics, implant body placement, implant abutments, prophylaxis or oral evaluations.
- We encourage those about to undergo extensive dental treatment to discuss those plans with the dentist beforehand. There are often less expensive alternatives available which will provide high quality dental care.

Appeal Procedure

- If you feel that you did not receive full benefits, you may appeal to the Fund. Please call customer service at 1-800-323-2732 and request a dental claim appeal form which can be emailed or mailed to you. Include copies of supporting documentation.
- ALL appeals must be submitted within 60 days of the determination being appealed.
- Please note the appeal process could take up to 4-6 weeks.
- This appeal procedure is not designed to cover services not covered by the Plans.

Pre-Authorization of Benefits

- Whenever the estimated cost of a recommended dental treatment exceeds \$500.00, we advise the submission of a pre-authorization before the work begins.
- Use a dental claim form for this submission, and include the related x-rays.
- After review, the Benefit Fund will notify the member and the dentist of the benefits payable based upon the treatment plan.
- In determining the amount of benefits payable, consideration will be given to alternate procedures that will accomplish a professionally acceptable result.
- If the member and the dentist agree to a more expensive method of treatment than that pre-authorized by the Benefit Fund, the amount exceeding the pre-authorization will not be paid by the Fund even if it would otherwise be a covered service. If

we recommend alternative benefits, you should also discuss this with your dentist.

- **For Example:** If your dentist submitted a pre-authorization for a crown which would cost \$725.00 and review by our dental consultant showed that an amalgam restoration for \$115.00 would give an acceptable result, the Benefit Fund would pay only \$115.00. If the member decided to have the crown, he or she would pay the difference of \$610.00 (\$725.00 minus the \$115.00).

A pre-authorization is not a guarantee of benefits. Payment is always subject to eligibility at the time of service.

Coordination of Benefits

Since it is not intended that the patient receive greater benefits than the actual expenses covered, the amount of benefits payable under the NYS Dental Plan will take into account any coverage the employee (or eligible dependent) has under other group plans. In other words, the benefits under the NYS Dental Plan will be coordinated with the benefits of other group plans.

Note: An employee may not be covered both as an employee and as a dependent of an employee. A member who has a spouse eligible for coverage is not eligible to cover a domestic partner. If member and spouse/domestic partner are Fund members, coverage for children may not be claimed under both.

Birthday Rule

Coordination of benefits regulation states that the primary payer of benefits for dependent children is determined by the parent who has the earlier birth date by month and day, without regard to year of birth. (other determining factors may apply)
