ENROLLMENT

Coverage under the plans offered by the CSEA Employee Benefit Fund is not automatic. You must first enroll yourself and your dependents in the Fund. Upon receipt of notice of your eligibility, we will send you a welcome packet which includes an enrollment form. Please complete and return the form to the CSEA EBF. If you need another form, you can call **1-800-323-2732** to request one or visit **www.cseaebf.com** to download a form from our website. When you visit the website, you can register for our Member Portal which will allow you to view plan information, make enrollment changes and submit requested documentation.

WHO IS ELIGIBLE?

Full-Time Employee

- If you are a full-time employee in a CSEA represented bargaining unit that has negotiated with your employer for Fund coverage.

Part-Time or Seasonal Employee

- If your collective bargaining agreement includes coverage for certain part-time and seasonal employees.

NOTE: An employee may not be covered both as an employee and as a dependent of an employee. A member who has a spouse eligible for coverage is not eligible to cover a domestic partner. If member and spouse/domestic partner are Fund members, coverage for children may not be claimed under both.

Dependents

- If your collective bargaining agreement includes dependent coverage, your dependents become eligible at the same time you do.
- You must notify the Fund promptly of changes in dependent status to ensure that new dependents receive the appropriate coverage and to avoid responsibility for charges incurred by an individual after he/she has ceased to be your dependent.

Dependents Include:

- Your Spouse - This includes a person of the

same sex to whom the covered employee was married in a jurisdiction permitting same sex marriages. A spouse can be removed upon entry into a legal separation. If you become divorced, **you must** remove your ex-spouse upon the finalization of divorce.

- Domestic Partner - Contact your HBA at your agency. They will provide you with the necessary information with which to initiate the Domestic Partner enrollment. Once we are notified that your Domestic Partner is eligible, we will send you an enrollment form automatically.

Children (Effective 7/1/2020)

- Your children, stepchildren and legally adopted children, under the age of 26 whether residing with you or not and regardless of marital status and/or student status.
- Your legal ward under the age of 26 who permanently resides with you pursuant to a court order awarding legal guardianship/custody to you.
- Any child or ward described above, regardless of age, who is incapable of self-support by reason of mental or physical disability, provided he or she became so disabled prior to reaching the age of 26.

COBRA

If you become ineligible for Fund coverage because of retirement, termination, layoff, leave without pay or reduction in hours, you may have certain rights to continue Plan coverage through COBRA.

If you die, become divorced or legally separated, or a dependent ceases to be a dependent, your spouse and/or dependent has certain rights to continue Plan coverage through COBRA. In the event of divorce, legal separation or a child losing dependent status, you or a family member must inform the Fund of the qualifying event within 60 days of the event or the date on which coverage would be lost because of the event.

- Routine eye exam. This includes dilation if professionally indicated.
- Eyeglasses **OR** contact lenses
- Members, spouses and domestic partners are allowed one full service (exam and eyewear) every other calendar year. Children are allowed 1 full service every calendar year. Upon turning 19 years of age, children are allowed one full service every other calendar year. *

** Members, spouses, domestic partners and children age 19 and over who used their benefit in 2020 will be eligible again in 2022.*

USING THIS BENEFIT

- Call the CSEA EBF at **1-800-323-2732** to verify your eligibility.
- Make an appointment with a participating provider and advise that you have the CSEA EBF vision plan.
- The provider will obtain authorization for services from the CSEA EBF.

There are over 1,500 providers in New York State and over 13,000 nationwide. Visit **www.cseaebf.com** or call **1-800-323-2732** for a listing.

Using a Participating Provider

Use a participating provider to have your exam and select your eyewear on the same day or use your exam benefit and return to the same provider later in the calendar year to select your eyewear.

-OR-

Use a participating provider for your exam and select a different participating provider to get your eyewear during the calendar year. *

Using a Non-Participating Provider

Have your exam and select your eyewear at one non-participating provider on the same day.

-OR-

Have your exam at one time and select your eyewear later in the calendar year using the same non-participating provider or a different one. *

Using a Participating & Non-Participating Provider

Use a non-participating provider for your exam or eyewear and a participating provider for the other portion of the benefit during the calendar year. *

*** Please Note the Following:**

- » Services must take place in the same calendar year. You are not able to “save up” unused services.
- » You must be eligible with CSEA EBF at the time of your exam and at the time you select eyewear.
- » For members, if you qualify for the VDT benefit, you must get the VDT glasses at the same time as your regular pair and are only available through a participating provider.
- » If you use your exam benefit and wait to select your eyewear, the doctor may require a new eye exam which will not be covered.
- » If you use the eyeglass portion without an exam, you are not eligible for new eyewear again in the same calendar year even if there is a change in prescription.

- » Non-participating eye doctors cannot bill the Plan directly. You must submit a Vision Care Reimbursement Form found on the Download Forms section of **www.cseaebf.com**.
- » Non-participating provider expenses are reimbursed based on the indemnity payment schedule found in this book.

Eyeglasses

If you choose to get eyeglasses, there are select lenses and frames covered under the plan.

Please note that the duration of the initial supply may vary depending on the lens type, wearing habits and prescribing doctor's instructions regarding replacement schedule.

Dental Care Plan

HOW TO USE THIS PLAN

- You may use any licensed dentist for dental care.
- The Fund contracts with participating dental offices to accept the fee schedule as payment in full for covered dental services whether payment is made by you or the Fund.
- If you would like to view our current Dental Care Providers, visit our website at **www.cseaebf.com**
- Specialists within participating general practices have the right to bill members for the difference between the specialist's

customary charge and the allowance which the CSEA Employee Benefit Fund pays under the State Dental Plan. The Specialist must inform the Fund and the member that he/she will not be accepting the plan allowance as payment in full and must provide proof of specialty status to the Fund.

- If you choose a non-participating dentist and are charged more than the amount listed under the Schedule of Allowances, you must pay the difference.
- A universal American Dental Association (ADA) claim form, available through your dental provider, or a CSEA claim form, which may be obtained from our website, www.cseaebf.com must be used to submit for completed services. Electronic claims are also accepted.
- **The Fund does not recommend that you use any particular dentist, either participating or non-participating.**

**SUBMIT ALL DENTAL CLAIMS TO:
CSEA Employee Benefit Fund
P.O. Box 489
Latham, NY 12110-0516**

MAXIMUM BENEFIT-DENTAL PLAN

- There is a \$3,000.00 annual maximum dental benefit for each covered member and dependent.
- For year 2014 and on, there is no annual maximum for children under the age of 19, per the Affordable Care Act guidelines.
- This maximum is on a calendar-year basis (January through December).
- Under this maximum, the Benefit Fund is assuming liability for up to the first \$3,000.00 of covered dental work per year. This maximum does not apply to orthodontics, implant body placement, implant abutments, prophylaxis or oral evaluations.
- We encourage those about to undergo

extensive dental treatment to discuss those plans with the dentist beforehand. There are often less expensive alternatives available which will provide high quality dental care.

APPEAL PROCEDURE

- If you feel that you did not receive full benefits, you may appeal to the Fund. Please call customer service at **1-800-323-2732** and request a dental claim appeal form which can be emailed or mailed to you. Include copies of supporting documentation.
- ALL appeals must be submitted within 60 days of the determination being appealed.
- Please note the appeal process could take up to 4-6 weeks.
- This appeal procedure is not designed to cover services not covered by the Plans.

PRE-AUTHORIZATION OF BENEFITS

- Whenever the estimated cost of a recommended dental treatment exceeds \$500.00, we advise the submission of a pre-authorization before the work begins.
- Use a dental claim form for this submission, and include the related x-rays.
- After review, the Benefit Fund will notify the member and the dentist of the benefits payable based upon the treatment plan.
- In determining the amount of benefits payable, consideration will be given to alternate procedures that will accomplish a professionally acceptable result.
- If the member and the dentist agree to a more expensive method of treatment than that pre-authorized by the Benefit Fund, the amount exceeding the pre-authorization will not be paid by the Fund even if it would otherwise be a covered service. If we recommend alternative benefits, you should also discuss this with your dentist.
- **For Example:** If your dentist submitted a pre-authorization for a crown which would cost \$900.00 and review by our dental consultant showed that an amalgam restoration for

\$170.00 would give an acceptable result, the Benefit Fund would pay only \$170.00. If the member decided to have the crown, he or she would pay the difference of \$730.00 (\$900.00 minus the \$170.00).

A pre-authorization is not a guarantee of benefits. Payment is always subject to eligibility at the time of service.

COORDINATION OF BENEFITS

Since it is not intended that the patient receive greater benefits than the actual expenses covered, the amount of benefits payable under the NYS Dental Plan will take into account any coverage the employee (or eligible dependent) has under

other group plans. In other words, the benefits under the NYS Dental Plan will be coordinated with the benefits of other group plans.

Note: An employee may not be covered both as an employee and as a dependent of an employee. A member who has a spouse eligible for coverage is not eligible to cover a domestic partner. If member and spouse/domestic partner are Fund members, coverage for children may not be claimed under both.

BIRTHDAY RULE

Coordination of benefits regulation states that the primary payer of benefits for dependent children is determined by the parent who has the earlier birth date by month and day, without regard to year of birth (other determining factors may apply).
